

Blue Key Arrives On Campus Today

The Blue Key Student Directory containing the phone numbers and addresses of SJS students has finally arrived. The booklet is now on sale in the Outer Quad and the Library Arch.

Any student who unsuccessfully

New Spartans Number 232 Next Quarter

A total of 232 new students was admitted to SJS for spring quarter, Viola Palmer, registrar, disclosed yesterday. Standards by which the new Spartans were accepted remained unchanged from those of last quarter, she added.

College transfers far outnumbered high school graduates among the newcomers to SJS. Transfers totaled 199—154 men and 45 women—while those entering as freshmen number 33—16 men and 17 women.

This is the final count of new spring quarter students, since deadline for application for admission was March 1.

Hurt Finger; Auto

A twisted left index finger, pieces of glass and two damaged cars was the result of an accident which occurred on San Carlos street near the Men's gym yesterday afternoon.

Salvatore Horace Cardinelli, 22, 300 N. 11th St., an SJS student, was the victim of the twisted finger when a 1949 convertible driven by another SJS student, Emile B. Benoit, 448 Snyder St., backed into his car as he was driving west on San Carlos street, according to investigating policemen.

Good Weather Speeds Book Shop Groundwork

Favorable weather conditions have helped speed up preliminary groundwork for the new Spartan Shop being constructed next to the Journalism building. A concrete slab foundation for the structure is expected to be poured this week, according to contractors.

Groundbreaking, which began last week, is well under way and

Singfest in Spring

March Melodies has swung into spring! Too many activities have forced a change of date for the annual singfest.

New date scheduled is April 6 and new name is "Swing Into Spring." Fourteen groups have signed up to participate, according to Judy Mong, general chairman.

World News Briefs

Dulles Says U.S. Should Show Strength in Asia

WASHINGTON, March 8 (UP)—Secretary of State Dulles said today the United States must show willingness to use its strength in defense of Southeast Asian freedom or see that area fall to Communism by default.

"The Communists portray us as weak," Dulles was quoted as saying, "and, unless the free people get a clear sense of our strength and our willingness to use it, they may conclude that Communism is going to win and they had better join up."

Dulles said he doesn't "know anything about" British Foreign Secretary Anthony Eden's statement that a Formosan cease fire could clear the way for Red China's entry into the United Nations.

As for Eden's statement that the British objective is to put an end to hostilities in the Far East, Dulles said:

"That, of course, is something the United States

also seeks. We had hoped the United Nations would be able to achieve a cease-fire."

ASKS BAN ON H-BOMB

LONDON, March 8 (UP)—Leaders of the British Labor Party last night called for immediate talks among the United States, Russia and Great Britain on banning the hydrogen bomb.

Observers said today the action was an obvious effort by the Laborites to dodge a showdown with Aneurin Bevan, American-hating leader of the party's left-wing faction, who feels strongly that Britain should not build the H-Bomb.

SAYS USSR HAS 'MAJOR' NAVY

WASHINGTON, March 8 (UP)—Rep. Carl Vinson (D-Ga.) warned today that Russia is building a major naval force which would help it launch Korean-type "brush wars" in the event of an atomic stalemate.

Trial in April

'Not Guilty,' Pleads ISO On Advertising Violation

A not guilty plea was entered by International Students Organization on charges of violating the campus advertising code at yesterday's Student Court meeting.

"We will present evidence and possibly wit-

nesses to substantiate our plea," Bill Frizelle, representing ISO, commented but refused to state the reasons behind their stand.

"ISO probably is going to stand on a technicality of law," said Don Atkinson, ASB attorney, who was not present at the meeting.

"The part of the advertising code that was quoted in their indictment stated just that it was illegal to place posters in the Inner Quad, and their poster was in the Outer Quad."

"We will have another indictment waiting for them at the trial, though, since I think they are definitely guilty of the basic charges of not signing in the advertising book before placing the poster and then hanging it on a lamppost, an off-limits location."

The case trial will be held Tuesday, April 5, when the organization will be summoned by the Court to appear.

No vote was taken on the proposed indictment of Lyke magazine on violations of the campus advertising code because the request for the indictment was not presented to the Court in the proper form.

"The Court did not furnish me with the proper forms, so I had none to use," said Atkinson, who presents all requests to the Court. "When I have the mimeographed legal document, I will re-issue the request."

Hip-Booted Bird Predicts Showers

Hip-boot covering him to his neck, the pigeon stood.

"For," he said, "I am readying myself to make my mark in the cement foundation of the new Spartan Shop. However, I deeply resent getting my feet concrete-lish."

"Besides," he told his nutmeg friend, "the UP says there is a possibility of 'a few showers' today, and you know how they are about such things. Also partly cloudy, with higher humidity and cooler today."

"And, gentle winds."

581 Greeks Sign Petitions To Ease Parking Problems

Parking conditions described as "critical" have prompted Greek organizations on Fraternity Row to revive a petition that was shelved last month to convert the west side of 11th street between San Fernando and San Carlos streets from parallel to diagonal parking.

Neil Freeman, chairman of a five-man committee set up by Sigma Alpha Epsilon to handle the petitioning, made the announcement yesterday that petitions containing 581 Greek signatures are completed and will be presented to the San Jose City Council sometime next month.

Converting one side of 11th street to diagonal parking will "double the parking space" in that area and still will leave 25 feet between the bumper of the diagonal parked car and the side of the parallel parked car on the other side of the street, Freeman said while pointing out that the downtown section of San Antonio street measures only 23 feet between cars.

Tickets Available

Tickets still are available for tonight's final performance of "Accidentally Yours," in SD-100 from 1 to 5 p.m. Admission is 50 cents for students and 75 cents for general.

The play, directed by John Kerr, associate professor of drama, is put on by the students of the advanced acting class as a term project. It will be given "in-the-round" in the Studio Theater at 8:15 p.m.

MRS. IZETTA PRICHARD, above, receives the first copy of the new Blue Key off the press from Stan Abbott for her cooperation in enabling the honorary society to compile their information from her records. Dick Kissick looks on.

Veterans To Sign Attendance Lists

All veterans who are not returning for spring quarter should sign the attendance list for the month of March sometime during finals week, March 14-18, according to Leslie W. Ross, registrar.

Those veterans who are returning for the spring term will sign on registration day in the Reserve Book Room.

CADET ANDREW CROWLEY (left) and Gerald Walker are shown receiving congratulations from Col. John E. Rogers, professor of military science and tactics at SJS, upon the presentation of their army commissions at the final ROTC drill of the quarter yesterday. Crowley received a second lieutenant's commission in the infantry, while Walker received a second lieutenant's commission in military intelligence.

Editorial

The Tires Are Cheaper, Too

We don't see why everybody (now it's the Greeks on 11th) is having so much trouble these days with parking problems. The answer to the whole thing is very simple . . . and when we say simple, that's just what we mean . . . simple.

And here it is . . . instead of driving cars, ride bicycles.

Just consider the advantages to this little jewel of a solution:

1. no gas money expenditures (only slight cost for energy-packed crunchy, crispy, crikly all-grain breakfast cereals)

2. no parking worries (especially with smaller model unicycle)

3. no walking from car to classroom and vice-versa (gaily decorated racks could be installed outside every door)

4. healthful exercise (produces that certain glow in the cheeks and tones up muscles . . . muscles?)

5. all the joys of the open air (without all the trouble of putting down the top on your car . . . especially when your car isn't a convertible)

6. it's fashionable (female viewpoint) since Paris and other European cities always are crawling with bikes.

7. slower riding offers more opportunity for viewing passing scenery (male viewpoint)

8. should it rain (during spring quarter??) you just stay home (always nice to have little excuses handy)

We could go on, (help!) but we feel that everyone (except commuters from Redwood City) should be convinced by now. In a hurry anyway . . . just got word of a good deal on a used pogo stick.

Six Students Will Try In Oral Reading Contest

Six students will compete tomorrow for the \$25 Dorothy Kaucher award for excellence in oral reading at 3:30 p.m. in Room 53.

The one-hour program, open to the public, will be announced by Shirley Hooper who won the award last quarter for a reading from Alice Duer Miller's "The White Cliffs of Dover."

U.C. Physicist Sees Surprise

BERKELEY, Calif. (UP)—Dr. Edward Teller, famed nuclear physicist generally recognized as the "father of the H-bomb," has predicted that the next major development in atomic power will come as a "complete surprise."

Teller made this prediction in an article written for the magazine "Science."

Dr. Hugh W. Gillis, head of the Speech and Drama Department, will make the award. Judges will be Dr. Harold P. Miller, professor of English; Dr. Donald H. Alden, associate professor of English; and Dr. Roberta Holloway, associate professor of English.

The fund for the award was started in 1950 by an anonymous donation and was replenished in the spring of 1953 by a faculty production of Truman Capote's "The Brass Harp."

Try honey as a topping for cereals, or as a spread with peanut butter on breakfast toast.

Arts Room Shows Renoir Paintings

The seven 19½ by 24 inch reproductions of famous Renoir paintings which are presently displayed outside the Arts Room of the library are part of a growing collection, according to Miss Barbara Wood, arts librarian.

The library now has thousands of famous paintings in reproduction form to aid in the education and enjoyment of SJS students.

The present exhibit, for instance, was taken from the cases in the Arts Room by Miss Wood. The display includes the famous "By the Seashore," "Child in White" and "Portrait of a Young Girl."

While the majority of the prints are of the 11 by 14 inches size, the larger variety which is placed on 22 by 28 white mats also form a large collection. The library has 14,000 of the smaller variety and approximately 1200 of the large size.

Miss Maude Coleman began the collection in 1940 and it has been furthered in the last few years by the present arts librarian, Miss Wood. Both are high in their praise for the work in selecting the works which has been done by the Art faculty.

Heath Attends Testing Confab

Dr. Harrison H. Heath, testing officer, was among the 200 persons attending the recent fourth annual Western Regional Conference on Testing Problems at the Ambassador Hotel in Los Angeles.

Representatives of colleges and high schools discussed problems of testing under the topic "Methods of making test scoring more useful to teachers and others." The conference was sponsored by the Educational Testing Service.

Grade Envelopes

All students wishing to have their grades mailed to them need only to stop in the hall by the Registrar's Office and fill out a self-addressed envelope. The office will stamp and mail the envelopes with the student's grades after finals.

Thrust and Parry

Intramural Publicity

Dear Sports Editor:

What has happened to the publicity for the intramural basketball program? Tomorrow marks the end of the regular season and up to this time I have seen the standings twice and two other articles. This amount of news is at an all-time low in comparison with other years.

If the Spartan Daily is for the students could I suggest that it contain some information on the more than 30 teams that have over 300 players? I think that you will have more readers on articles of this nature than the majority that are printed in your sports section. You are assured of more than 300 to start with. I think that if you will look back over the preceding years that you will find the num-

ber of stories this year is about one-half. Need I say more?

ASB 3087 and a few interested intramural players.

Defeatist Attitude

Dear Thrust and Parry:

Like the editorial said, "dictating isn't here yet," but still we have come a long way in racial discrimination. We have a long way to go before it is eliminated.

I have never thought it very American to sit back on a moral issue like this and say, "It's just one of those things." Progress was never made with a defeatist attitude.

Lyle L. Timberlake, ASB 6320
P.S.—I am ashamed that our paper takes this stand!

Staff Attends College Event

Members of the Personnel Office recently attended a joint state college meeting at Sacramento State College to discuss methods for testing graduate and entering students.

More than 35 persons representing San Francisco, Sacramento, Chico and Humboldt State Colleges discussed problems and types of tests given during the day long conference. Following the general meeting special groups were formed for discussion.

Saba's Is Place For Military Ball

Saba's in Capitola has been chosen as the site for the 1955 ROTC-AFOTC Military Ball May 14, according to Dick Reese, a member of the planning committee.

The date for the event, May 14, was set last week.

Chairman for the committee is Norm Yiskis. The group is made up of members of both reserve officer training units at SJS.

Revelries Attendance Income Short '54 Mark

Attendance and gross income for Revelries this year fell slightly short of last year's mark, according to figures released yesterday by the Graduate Manager's Office.

Attendance this year was 2084, a drop of 682 viewers from last year's figure of 2766. Gross income with \$1686.75 dropped \$163.15 from the figure recorded for the 1954 production, according to the Graduate Manager's Office.

Net income, if any, for the show has not yet been tabulated. All income will be added to a perpetual treasury which is used each year and reimbursed by the profits of that years show to enable the continuance of Revelries productions at the college, according to the Graduate Manager's Office.

Camp Counseling Information Available from Hartesveldt

Students who want detailed information about camp counseling jobs this summer are advised by R. J. Hartesveldt, camp nature counseling instructor, to see him in S-24.

There probably will be general camp or nature counseling jobs available in all types of summer camps, he said. A likeable personality and ability to work with children are about the only qualifications necessary for most jobs, he explained.

Students who are interested in jobs can register their preferences with Hartesveldt and he will contact them if such jobs become available, he said. Most jobs will be somewhere in California, he

explained, but there are some in New York and New England.

Hartesveldt stressed that the experience gained from such jobs is important for teachers because often those with camp nature counseling experience are given preference by schools hiring new teachers.

Winter Formal Attracts 1000

Approximately 1000 people danced to the music of Dick Salzman and his band at the eighth annual Inter-Fraternity Council winter formal in San Francisco Saturday night, according to Wally Stephens, bids chairman.

Stephens said 12 of the 14 campus fraternities were represented at the function.

Patrons for the formal affair were: Dean and Mrs. Stanley C. Benz, Mr. and Mrs. William Felse, Col. and Mrs. John E. Rogers and Jack Holland, associate professor of business at SJS.

Cal Church Official Will Speak Here

Dr. Edward Stein, director of Westminster House in Berkeley, will give a talk on "Concept of Guilt", at the Wednesday psychology-philosophy staff meeting, according to Dr. Charles W. Telford, professor of psychology.

Westminster House has charge of all Presbyterian work at the University of California. It is associated with the Westminster Foundation of Northern California, of which Dr. Harrison Heath, SJS professor of psychology, is the president.

Tri Sig's Plan To Take Tour Of Bay Area

Tri Sigma, society for social work majors, will tour the Bay area Friday, visiting the welfare department in San Mateo and Homewood Terrace, home for Jewish children, in San Francisco.

Interested students may obtain tickets in the Social Science Office, Room 30. Ticket price is \$2.75.

Leaving at 12 noon, the students will study the part social workers play in these organizations, Barbara Zeiss, president, recently announced.

An Italian dinner in San Francisco will follow the tour.

Business 137B Ends in Spring

Business 137B, governmental purchasing, will be given for the last time this spring quarter. Under the coming semester system, the course will be incorporated into Business 137, purchasing, Jack Holland, associate professor of business announced.

Business 137B is offered at 8:30 and 10:30 a.m. Tuesday and Thursday during spring quarter. This course is offered with the cooperation of the California State, County and Municipal Purchasing Agents' Assn. and the Federal Procurement Officers' Assn. of Northern California.

File for Changes

The Personnel Office reminds students that today is the last day to file applications for changing any final exams to Tuesday. All applications must be in the Personnel Office four days before the day to which the exam is requested to be moved. Forms must be signed by both student and instructor.

Meetings

AWS: Meeting today at 4:30 p.m. in Room 24.

Christian Science Organization: All students invited to open meeting tomorrow night at 7:30 o'clock in College Chapel.

Foreign Students: Panel discussion on "Current Problems in Africa," with Miss Miranda Coker of Africa, today from 8:30 to 10:30 a.m.

Institute of Radio Engineers: Dr. J. M. Pettet, regional director, will lecture and coffee and doughnuts will be served tomorrow night at 7:30 o'clock in E-118.

ISO: Social and folk dancing with Spartan Spinners tonight at 7:30 o'clock in Room 24.

Newman Club: Final meeting of winter quarter tonight at 8 o'clock.

Psi Chi: Final meeting of winter quarter tomorrow at 12:30 at 196 S. 8th St.

Radio Club: Lecture, coffee and doughnuts tomorrow at 7:30 p.m. in E-118.

Revelries Board: Meet in Student Union tomorrow at 3:30 p.m.

Sojourners: All master masons invited to attend meeting tonight at 7 o'clock in Room 11.

Student Y: Coming calendar will be discussed and La Torre pictures taken tonight from 7 to 10 o'clock in new Student Y, 9th and San Antonio streets.

Student Y: "College Dating" is topic for discussion tomorrow at 4 p.m. in new Student Y.

Tickets for senior banquet tomorrow night at 6:30 o'clock in Mariani's restaurant may be obtained in Graduate Manager's Office. Admission is free to all March graduates.

Electrical Engineers: Lecture by Harry Engwicht tonight at 7:45 o'clock in Engineering lecture hall.

Eight Students Attend

Model U.N. Trip Proves Success

"I would say the trip was a success," said Jim Starrs, chairman of the SJS Model U.N. delegation, who headed a group attending the Student World Affairs Conference at Asilomar over the weekend.

The group, consisting of eight students including Starrs, attended the three-day conference dealing with affairs in the Pacific to gather information which the SJS delegation might use at the Model U.N. meet in May.

Norwegian Speaks

A. Smith-Meyer, Norwegian consul general in San Francisco, will speak to Dr. William H. Vatcher's class in international relations at 1:30 p.m. Thursday.

The class meeting is open to all students, according to Dr. Vatcher.

Library Receives 100 New Volumes Featuring Variety

From "The Teahouse of the August Moon" to a new translation of the Indian "Ramayana" is the area covered by some of the new books received by the library this month.

Sports fans, rugged or living room variety, also will find books of interest from among the 100 new books received. There are "Mathematical Puzzles and Pastimes" for the mental athlete and Gene Schoo's new "Jack Dempsey Story" for sports enthusiasts.

In the applied science selection there is "Servomechanism Practice," by Aaron Bakst.

Holland Addresses Sunnyvale Group

Jack Holland, associate professor of business, spoke on "Importance of Cooperative Advertising to the Established Retail Centers" before 400 members of the Sunnyvale Chamber of Commerce recently.

Holland was invited to speak because of expansion conditions of retail centers in Sunnyvale. He stressed the use of newspapers, shopping news, radio, television and the use of hospitality hostesses in improving relations with consumers.

Spartans to Face Santa Clara Today

Sophomore Righthander Jim Johnson will start on the mound for Walt Williams' Spartans today when the Santa Clara Broncos invade Municipal Stadium at 3 p.m.

It will be the third start of the season for the Golden Raider nine after splitting a pair of contests with the Stanford Indians.

Coach Williams' batting order was announced yesterday as follows: second baseman Jack Richards, shortstop Bill Rahming, rightfielder Tuck Halsey, third baseman Dick Brady, first baseman Ron Walters, centerfielder Tony Teresa, catcher Shruder Willet, and Johnson.

All are righthanded hitters except Walters and Willet.

Golf Mentor Discloses '55 SJS Schedule

Coach Walt McPherson's varsity golf team will play a schedule which includes 13 dual matches, one triangular match and the Northern California Intercollegiate Tournament.

One of the highlights of the schedule, according to McPherson, is a three day trip during which the Spartan linksmen will play Fresno State March 31, USC April 7, and UCLA April 2.

In addition to the varsity schedule, the junior varsity and freshman golfers will combine to play a seven match schedule.

Varsity schedule:
March 22—Fort Ord, there;
March 24—California, here; March 25—Portland St., here; March 31—Fresno State, there; April 1—USC, there; April 2—UCLA, there; April 5—Stanford, here; April 7—SF State, here; April 12—Santa Clara, there.

April 15—Three-way match, COP, University of Arizona, SJS at Stockton; April 21, 22, 23—Northern California Intercollegiate Tournament at Pasatiempo; April 26—SF State, there; April 29—Stanford, there; May 2—Santa Clara, here; May 5—California, there; May 6—COP, here.

Junior Varsity schedule:
March 11—San Jose JC, there; March 29—San Mateo JC, there; April 8—Menlo JC, there; April 11—Modesto JC, there; April 18—East Contra Costa JC, there; April 25—East Contra Costa JC, here; May 2—Modesto JC, here.

SJS Mermen Meet Cal Bears

The SJS swimming team tackles another rough opponent this afternoon when it journeys to Berkeley to engage the California Golden Bears at 3:30 o'clock.

Led by Jerry Hayes in the freestyle, the Bears are a well-balanced team and should win the meet, according to Spartan swim mentor Charlie Walker. But this does not mean that SJS isn't hopeful of a win, he added. "(Dick) Threlfall is always dangerous in the 50 and the 100, and if we re-organized the team, we might win both relays," he commented.

Tom Nilsson, who had been out with a broken nose incurred in the season's first meet, returns to action for the first time since then, as he teams with Jay Cross to seek points in the 200 breaststroke.

The Spartan frosh swimming team, which lost to Cal frosh, but dumped Fremont High School (Sunnyvale) Friday, encounter James Lick High School, there, this Friday.

Probable starters for Coach Chuck Bedolla's Broncos are rightfielder Herm Carmassi, first baseman Dave Bryson, shortstop Ted Welp, catcher Dan Modena, centerfielder Bill Carroll, pitcher Dick Simoni, leftfielder Lu Jenkins, third baseman Dick Venezia, and second baseman John Ruso.

Ruso, a rookie, is termed "unproven" by Bedolla although the second baseman pounded out four for four, including a homer, to lead the Santa Clarans to a 9-5 victory over the Falstaff nine recently.

Jenkins and Venezia are up from last season's frosh squad, while the rest are veterans. Bedolla lists Bryson, Welp, Modena and Carroll the best players at their positions in the California Intercollegiate Baseball Association.

George Shoots 71

Ernie George fired a 71 on the Pebble Beach Golf Course Monday to lead the San Jose State junior varsity to a 9½-5½ victory over the Monterey Peninsula College linksmen.

Although George's 71 gained medalist honors for him, he split his match with MPC's Dick Geyer, 1½-1½. Geyer shot a 72.

Clean-up Man

DICK BRADY, converted from first base to third, will bat in the clean-up spot for the Spartan baseball team today. A .323 hitter last season, Brady led the team in times at bat, hits, total bases, doubles, homeruns and runs batted in.

Menendez To Change Lineup For Northern California Test

Their showing in the Nevada boxing meet has prompted Coach Julie Menendez to move Al Julian, Joe Rodriguez and Al White up one weight division for the Northern California Tournament at San Francisco this weekend.

Menendez observed that the three boxers turned in their best round 3 performances of the season. Several times previously they had faded in the final round, he pointed out. "They may have been boxing too lean," Menendez said.

Julian will move from featherweight to lightweight, Rodriguez from lightweight to light welterweight, and White from light wel-

terweight to welterweight.

Kim Kanaya has moved into the featherweight slot and scored a victory against Nevada's 125-pounder.

San Jose State will not enter a heavyweight in the tournament. Other entries will be Dick Bender, 156; Max Voshall, 165; and Dave Fanner, 178. The winner of tomorrow's Bobby Harris-Massey Utsumiya challenge match will get the bantamweight opening.

Separating colored and white clothes takes no extra time if you put a plywood divider in the laundry hamper.

LUCKY DROODLES! GET 'EM HERE!

WHAT'S THIS? For solution see paragraph below.

Doodle suggested by Norman Gerber, C. C. N. Y.

HAVE A LITTLE FUN when you smoke. Enjoy yourself. Give yourself the pleasure of a better-tasting Lucky Strike. The enthusiasm often inspired by Luckies' famous better taste is illustrated in the Doodle (right) titled: Alphabet soup for Lucky smoker. So why *stew* over what cigarette to smoke? Luckies' taste is *letter*-perfect. After all, L.S./M.F.T.—LuckyStrikemeans fine tobacco. Then, that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco

to make it taste even better... cleaner, fresher, smoother. When you light up, enjoy the better-tasting cigarette... Lucky Strike.

STUDENTS! EARN \$25!

Lucky Doodles* are pouring in! Where are yours? We pay \$25 for all we use, and for many we don't use. So, send every original Doodle in your noodle, with its descriptive title, to Lucky Doodle, P. O. Box 67, New York 46, N. Y.
